

NOTICE! NOTICE! NOTICE!

A friend of the Ministry has donated a considerable amount of copies of the book THE OTHER END OF THE WORLD.

Authored by the late Prof. Roger Rusk for many years a teacher of PHYSICS in the University of Tennessee.

Of his writings this was his 'magnum opus'. It is one of the finest works on prophetic understanding to be published in many years... Prof. Rusk was a good friend.

You may have a copy for yourself, your Minister, an interested friend...There is NO \$\$\$ charge...

Just write us, or phone asking for your copy of this hard-backed book. Free for the asking as long as they last...

Recently my wife Leona was in the Hospital for about two weeks. She has returned home and is more like herself....

The Doctor's called it a 'stroke', but there is no paralysis, or physical impairment. Excepting a speech problem which is getting better as the days go by...

Leona is at her desk taking care of the mail and the 'books' as usual. So---we have much to Praise The LORD For!!

Our latest tapes Number #492 and #493 Titled: PROPHEIC POT POURRI (A little bit of this and a little bit of that) have been well recieved. Several positive and complimentary comments have been made by phone calls and by letters as to their teaching value....

In these tapes we comment on notes that I have written in the margin of my Bible over the past years.

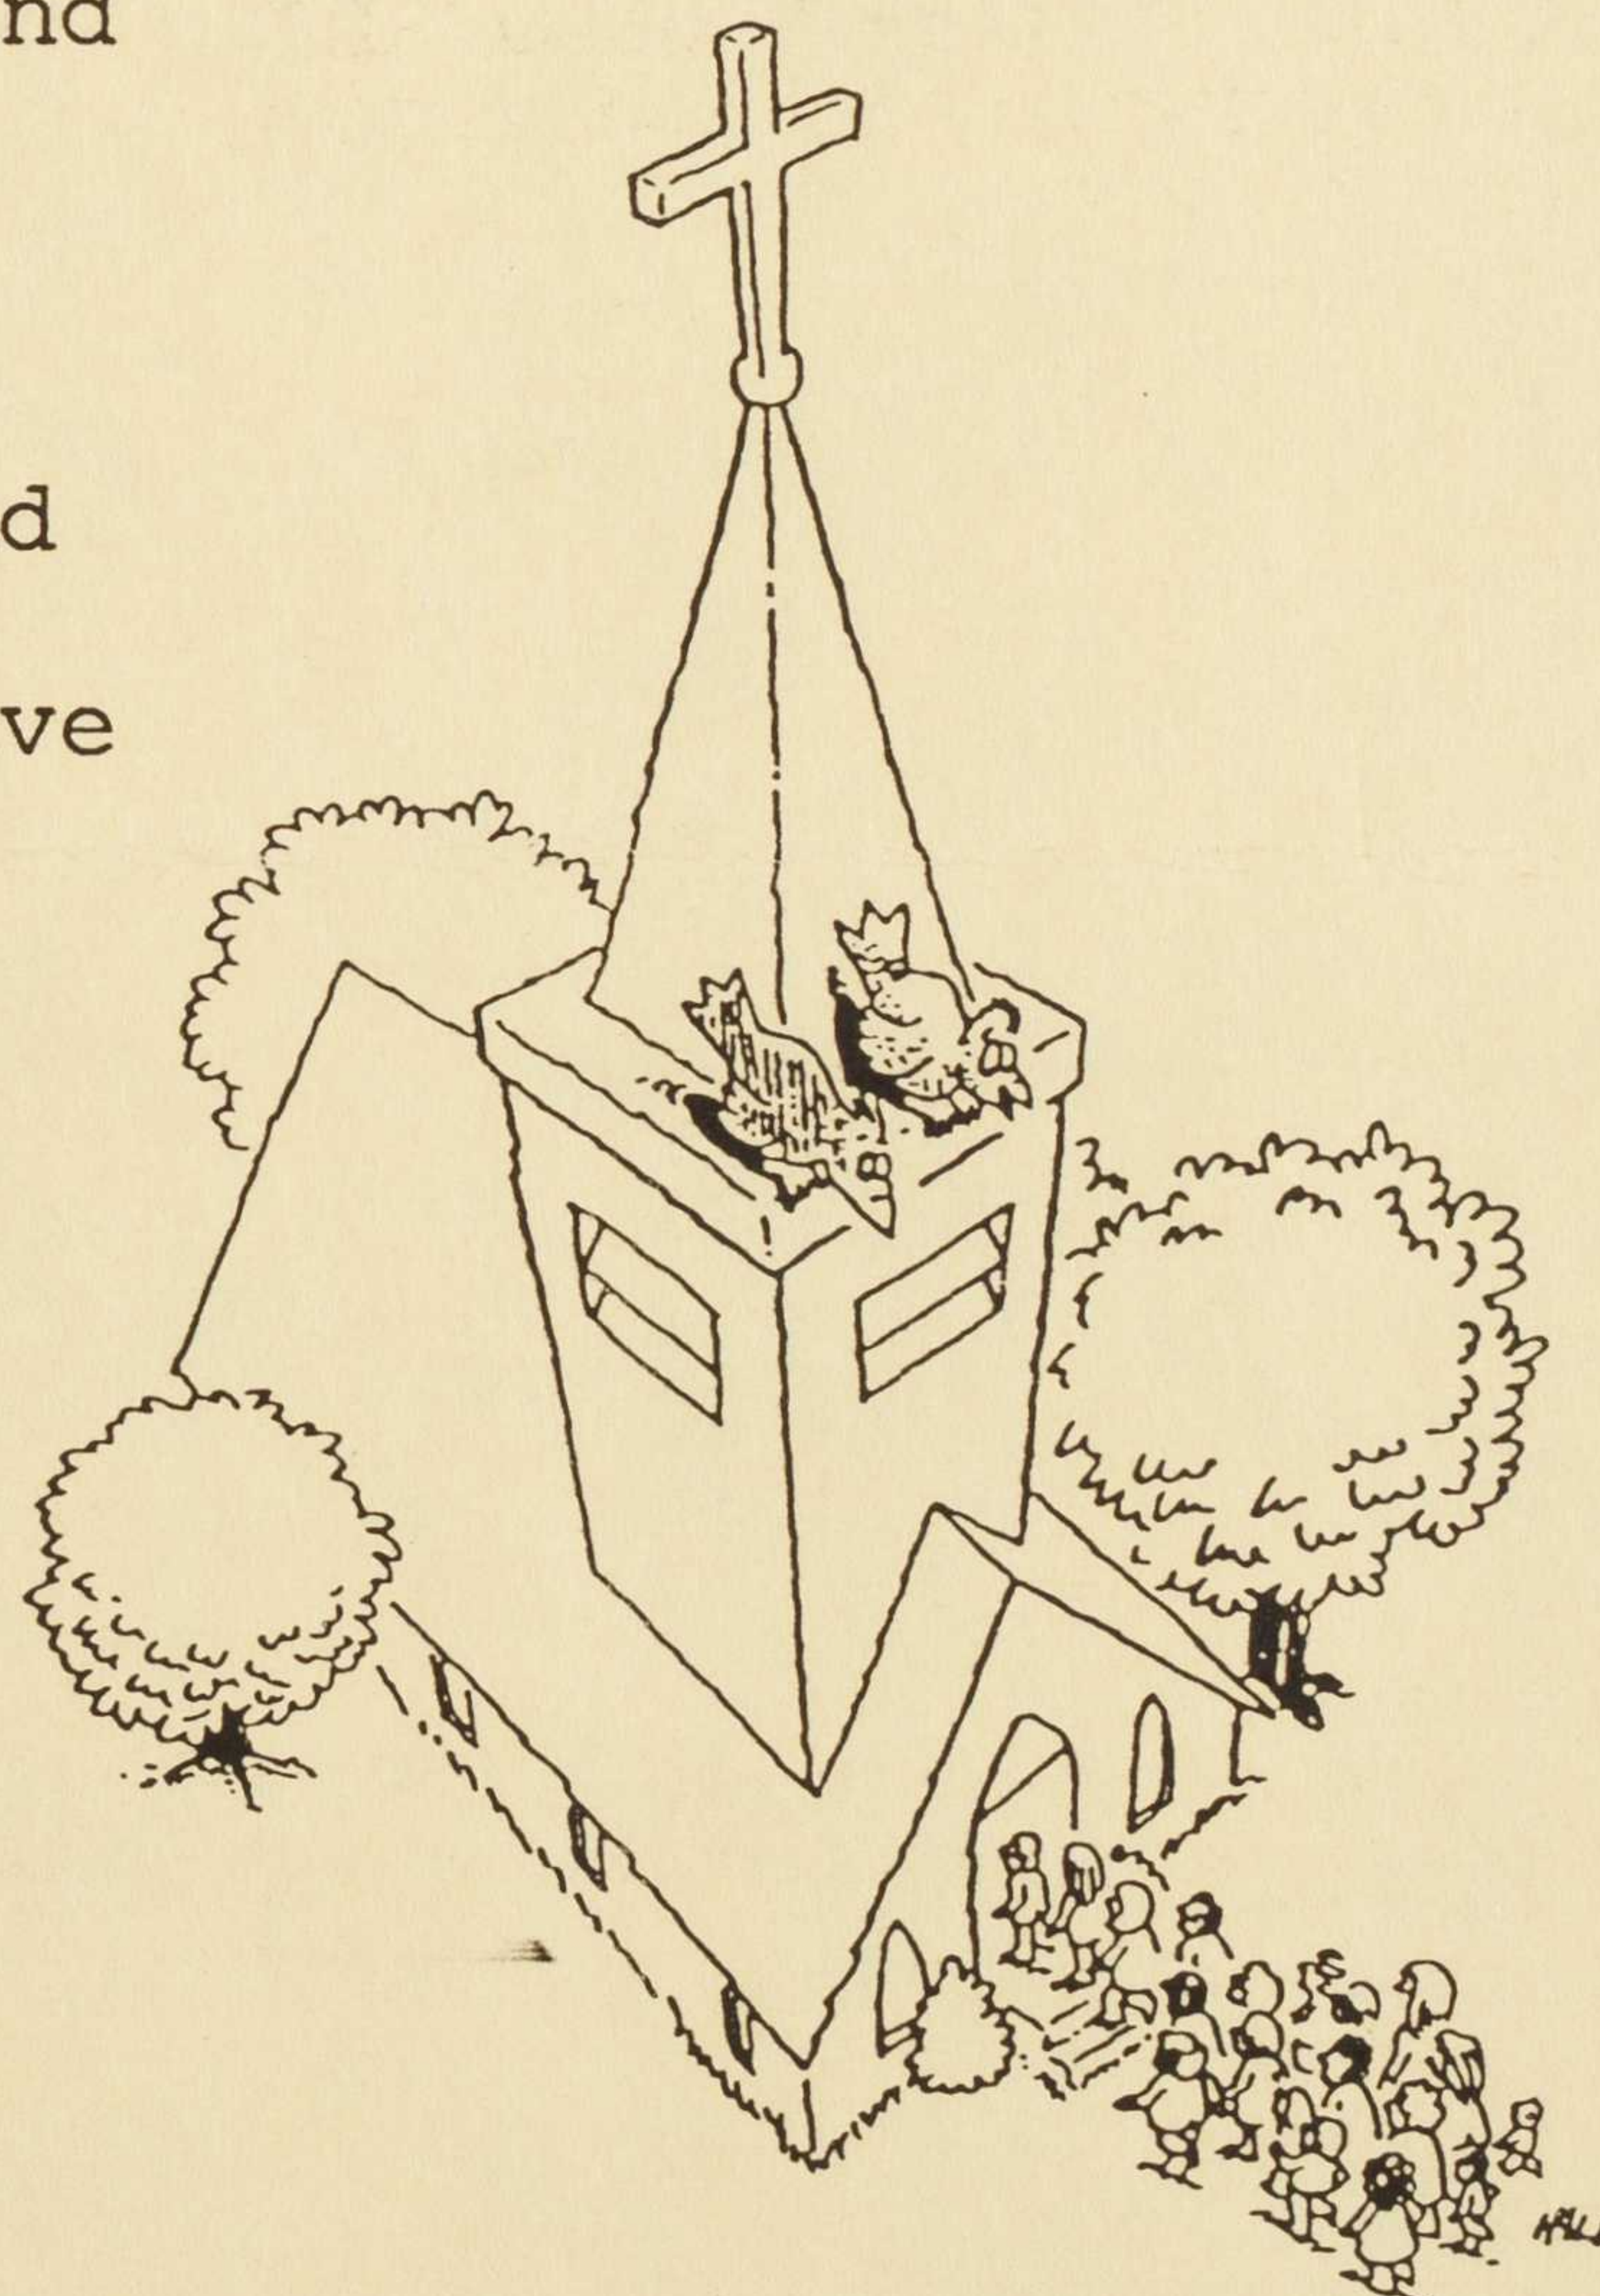

If you wish to be on our Mailout of these Cassette tapes...Write the above address Or else call.....

Area code: 1-(805) 925-0872

Thank you for your continuing support of THE BIBLE EDUCATOR MINISTRY with your tithes and offerings....

You keep us going for the Kingdom.

Blessings: G.W.S.
