

PARTICIPATING ORGANIZATIONS

THE ALLIANCE FOR OUR COMMON FUTURE is a partnership of organizations working together for a just world community, healthy environment, and effective structures for peace. The Alliance includes participation from groups representing a broad range of social, humanitarian, and environmental organizations, as well as those concerned with world peace, disarmament, human rights, international federalism, and sustainable development.

Participants include national and U.S. based international organizations and national and regional coalitions, including:

Academy of World Studies ■ American Association of University Women ■ American Baptist Churches, Office of Government Relations ■ American Peace Network ■ Baha'is of the U.S. ■ Better World Society ■ Beyond War ■ Campaign for U.N. Reform ■ Center for Defense Information ■ Center for Peace Through Culture, International ■ Center for War/Peace Studies ■ Church of the Brethren Washington Office ■ Church Women United ■ Citizens for a Peaceful Planet ■ Committee for National Security ■ Council for a Livable World ■ Concerned Citizens Speak ■ Friends of the U.N. ■ Global Education Associates ■ Global Tomorrow Coalition ■ GLOBE-LIB ■ Institute for Peace & International Security ■ Institute for Peace Development ■ Institute for Soviet-American Relations ■ Institute for Space & Security Studies ■ Interfaith Center to Reverse the Arms Race ■ International Network for U.N.
