

Duty and Role of Educational Institutions, Guidance and Assistance to Education

The educational work in socialist society is an honorable and important revolutionary task assigned to the educational institutions and educationists. In socialist society, educational work is a Party and state work and a concern of the whole society. In order to carry on socialist education smoothly, the functions of educational institutions and the role of educational workers should be enhanced and the Party guidance, state support and social assistance to educational work should be realized firmly.

Mission and Duty of School

In socialist society school is the base for revolutionization and the center of the cultural revolution. Through educational work school contributes to the ideological and cultural revolutions.

The mission of school in socialist society is to bring up the rising generation into people of a communist type and create native cadres on the basic principles of socialist pedagogy.

Bringing up the new generation to be communist-type people is a work for the everlasting prosperity of the country. The rising
