Greetings in our Lord Jesus Christ!

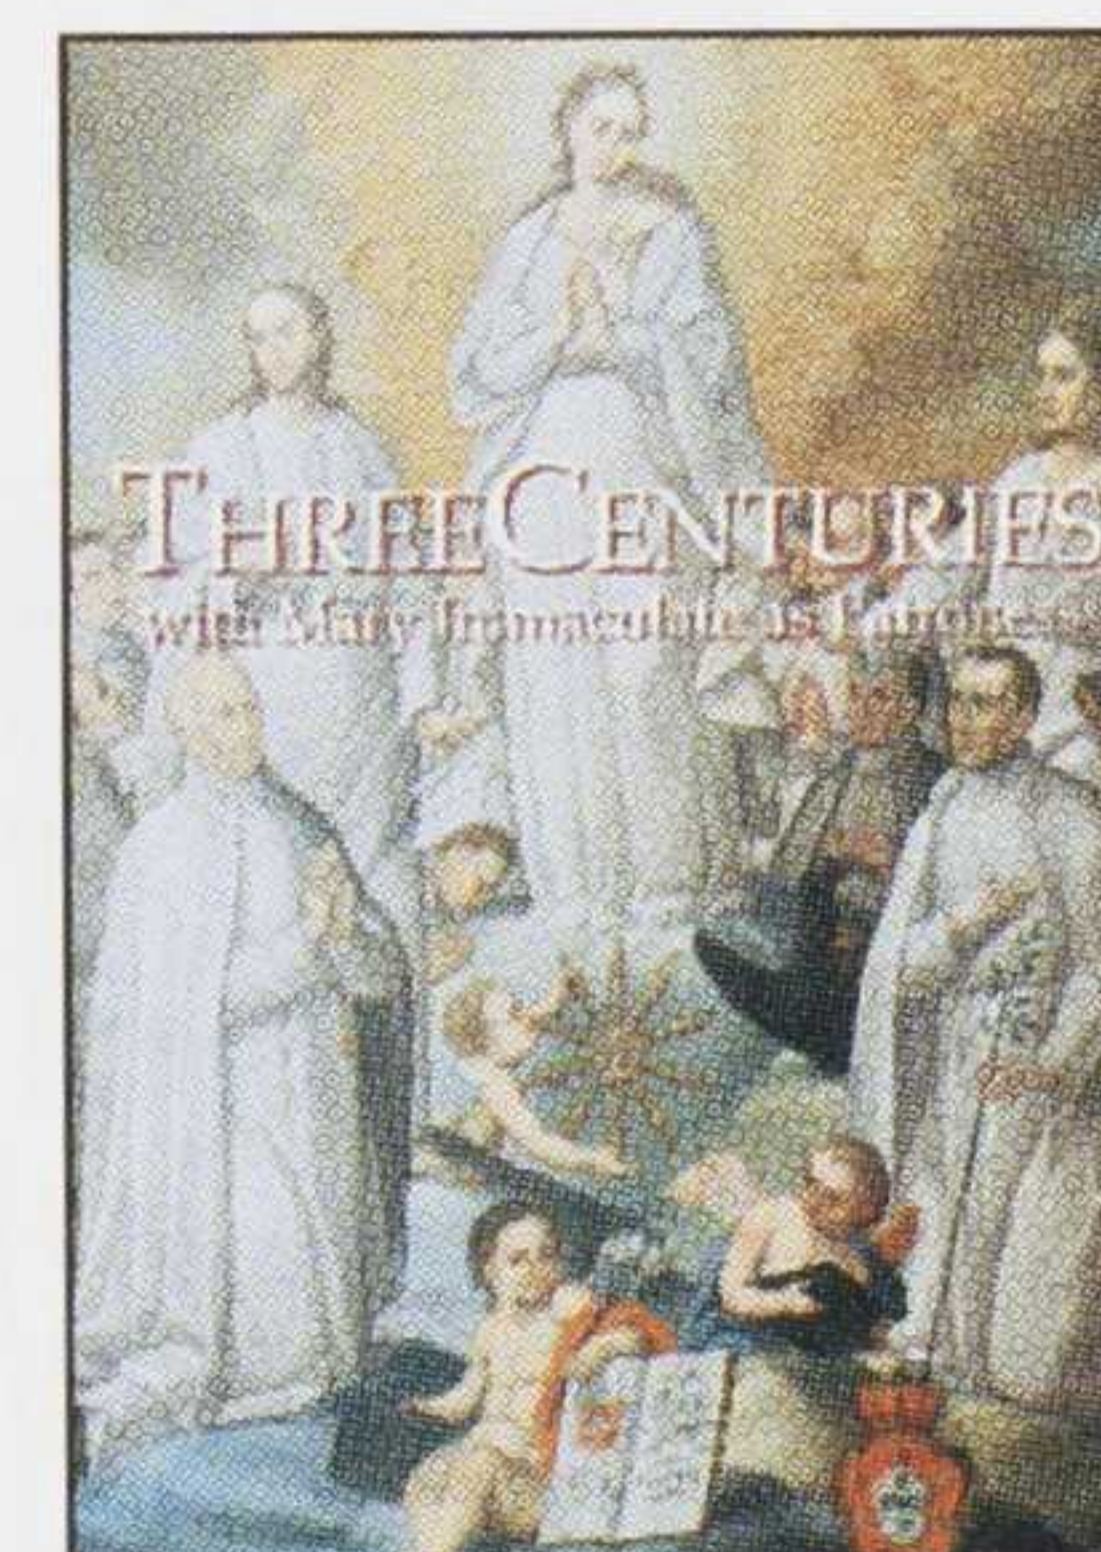

With great pleasure I present to you our *1999 Association of Marian Helpers Catalogue*. Each item was carefully selected by me and my staff here at the Marian Helpers Center, to enrich your faith life every day and on special occasions throughout the year. Those identified by the symbol  are ones I particularly recommend.

I would especially like to bring to your attention the three books featured on this page. All of them have special meaning to me and to our Congregation. I hope that you will find them as inspiring as I do.

Please pray for me and for all the Marian priests and brothers around the world. God bless you,

Fr. Joseph, M.I.C.
