

Satan wants the entire earth, and the futuristic theory sounds good to Satan.

In the kingdom age every individual, every system, every practice comes under the gospel of the kingdom and its laws. At that time there will be no tolerance for anyone who is opposed to the gospel of the kingdom. Fully two thirds of the Word of God is devoted to the gospel of the kingdom. When God has used communism and the Edomites to compel this nation to turn to the Word of God, including the gospel of the kingdom, God will destroy communism and the Edomites from off the face of the earth. Indications are that He will do it in one night.

After that, we are in the New Order and then the Isaac-sons, the Anglo-Saxon people who are Israel, will go out throughout the earth and teach and explain the gospel of the kingdom. There will be the greatest program of building and teaching the world has ever seen. "And they that shall be of thee shall build the old waste places: thou shalt raise up the foundation of many generations; and thou shalt be called, The repairer of the breach, the restorer of paths to dwell in." (Isaiah 58:12)
