

Practically all of our foreign policy bills including this one before the Committee today were formulated and supported by Communists in and out of the State Department, and recent Congressional investigations have proven that the State Department is rotten with "Reds" and that a COMMUNIST SUPER-LOBBY operated for years in this Capitol for all of the foreign policies and war bills. Congress has volumes of evidence of this conspiracy.

One of the leading witnesses for this bill and for all the other bills was Clark M. Eichelberger, the former Director of The American League for Peace and Democracy which was raided by the Dies Committee in September, 1939 and the files seized. In those files was found the names of more than 2,000 Communists who were in every key position of the Roosevelt Administration!

And let me add that the American League for Peace and Democracy was the successor of the American League against War and Fascism whose national vice-chairman was EARL BROWDER! it changed its name in 1937 to the American League for Peace and Democracy, and it advocated mutiny and sabotage in our armed forces and the setting-up of a Soviet Government here. This Mr. Eichelberger has succeeded in accomplishing with the "United Nations" whose terrible "Security Council" holds the power of war or peace in the world, and whose "Military Committee of the U. N." is staffed with SOVIET GENERALS WHO PLANNED THE ARMING OF THE UNITED NATIONS! State Bulletin "Arming the United Nations" of August 3, 1947.

After the Soviet Generals had made their report to the U. N., I find that our U. S. Delegate to the U. N., the Zionist Jew Ernest Gross WITHOUT ANY AUTHORITY FROM CONGRESS delivered over to the Secretary General of the United Nations T. Lie, OUR ARMED FORCES! and just prior to that act our former President of the United States, Harry Truman, pulled a fast coup at 3 a.m. on Sunday, June 25th, 1950, when he called in our Chiefs of Staff and ordered our armies into Korea in what he termed a "U.N. POLICE ACTION", which is a PLANNED MASS-MURDER OF OUR ARMED FORCES under SOVIET U.N. ORDERS! AND YOU ARE WELL AWARE THAT THE UNITED NATIONS IS ROTTEN WITH OUR ENEMIES! AND THAT RUSSIA HAS 6 votes to our 1 vote in the U.N. The Chairman of The Military Staff Committee of the U.N. was Soviet General Vasiliev.

You also have evidence that several of our so-called allies INCLUDING SOVIET RUSSIA, are shipping strategic materials of war to the "Reds" in China that are being hurled against our troops in Korea! and YOU KNOW TOO THAT GREAT BRITAIN HAS A 20 YEAR TREATY OF ALLIANCE WITH SOVIET RUSSIA made on June 11, 1942.

Both General MacArthur, and later General Van Fleet, as former Commanders under the U. N. in Korea, have testified here that they were NOT ALLOWED TO WIN THE WAR IN KOREA! they were told to make it "just a delaying action" and it was known as "buying time in Asia". General MacArthur said this Korean "war" should be ended as soon as possible, but you go on with BUYING TIME, gentlemen, WITH AMERICAN LIVES POURED INTO KOREAN-MASS-MURDER TRAPS! and you constantly DRAFT more AMERICANS FOR MORE WARS! and it is planned to set-up five of these mass-murder traps in other trouble spots in the world, ESPECIALLY in the Middle-East, where the THIRD WORLD WAR IS TO BE FOUGHT, and the Director of this "Mutual Security" program, Mr. Harold Stassen who long has been associated with so-called "liberals" and one-worlders, is now out with the world revolutionist, Mr. Dulles, stirring up the great BATTLE OF THE MIDDLE-EAST, which I heard Will Clayton
