Agenda For Non-Collaboration
343 S. Dearborn Street, #705
Chicago, Illinois
60604

Dear AFNC:

I am a college student
with an ever rising social and political con-
sciousness and ~~ware~~ awareness of the world around me.
I write to request descriptive literature from
the Agenda For Non-Collaboration. I request too,
that my name be added to your regular mailing list
in the event you have a listing of that nature.

Please advise me as to the
cost of the mailing list service. Until I hear
from you then, I remain,

In struggle!
