

"He saved them for His name's sake, that He might make His mighty power known. Thus He rebuked the Red Sea and it dried up; and He led them through the depths, as through the wilderness... so He saved them from the hand of the one who hated them, and redeemed them from the hand of the enemy." Psalm 106:8-10

Since 1976, Exodus International has been helping men and women find a way out of homosexuality. This road of freedom is a long journey, often filled with confusion, frustration, and temptation. Without support, most people would not make it. But there are ministries all over the world which offer the understanding and encouragement so desperately needed by those seeking transformation.

WHO WE ARE

Our purpose is to glorify the Lord Jesus Christ by proclaiming His desire and incredible power to release people from homosexuality. Such freedom begins with repentance from sin and faith in Christ as Savior and Lord. Overcomers develop maturity through their ongoing submission to the Lordship of Christ and His inspired, authoritative Word. They experience God's compassion and mercy through fellowship within a body of like-minded Christians.

OUR REFERRAL SERVICE

We provide individuals with a referral list of qualified member ministries. We also refer people to

our agencies by phone. Exodus ministries offer direct support to men and women pursuing sexual purity. Additionally, they assist family members, friends, and church leaders. Major Christian organizations, such as Focus on the Family, the Billy Graham Evangelistic Association, and The 700 Club, use Exodus as a referral.

OUR ANNUAL CONFERENCE

Experienced teachers present workshops on a spectrum of counseling, leadership, and management topics. These training classes offer a wealth of information for both those in ministry and those being ministered to.

RESOURCES AVAILABLE FOR YOU

We offer support directly to ministry leaders through our office and through our board members. We also provide current resources, such as conference cassette lists, printed materials, and our quarterly newsletter, *The Exodus Standard*.

DECLARING TRUTH AND HOPE

Many Exodus leaders are available for speaking, media interviews, and consultation for church and community services. Representatives from Exodus ministries have been interviewed by such major media as *Christianity Today*, *Good Morning America*, *Point of View* with Marlin

Maddoux, 20/20, Moody Broadcasting, CBN News, *The Washington Post*, and the Phil Donahue Show. We also sponsor missionary outreaches outside North America to spread the message of hope to other countries.

FUNDING FOR EXODUS

Exodus is a non-profit, non-denominational organization. We are supported through private donations, conference fees, tithes and membership fees from referral ministries, and sales of resource materials.
