P. O. Box 250
Medway, MA 02053

Dear Mr. Gardia:

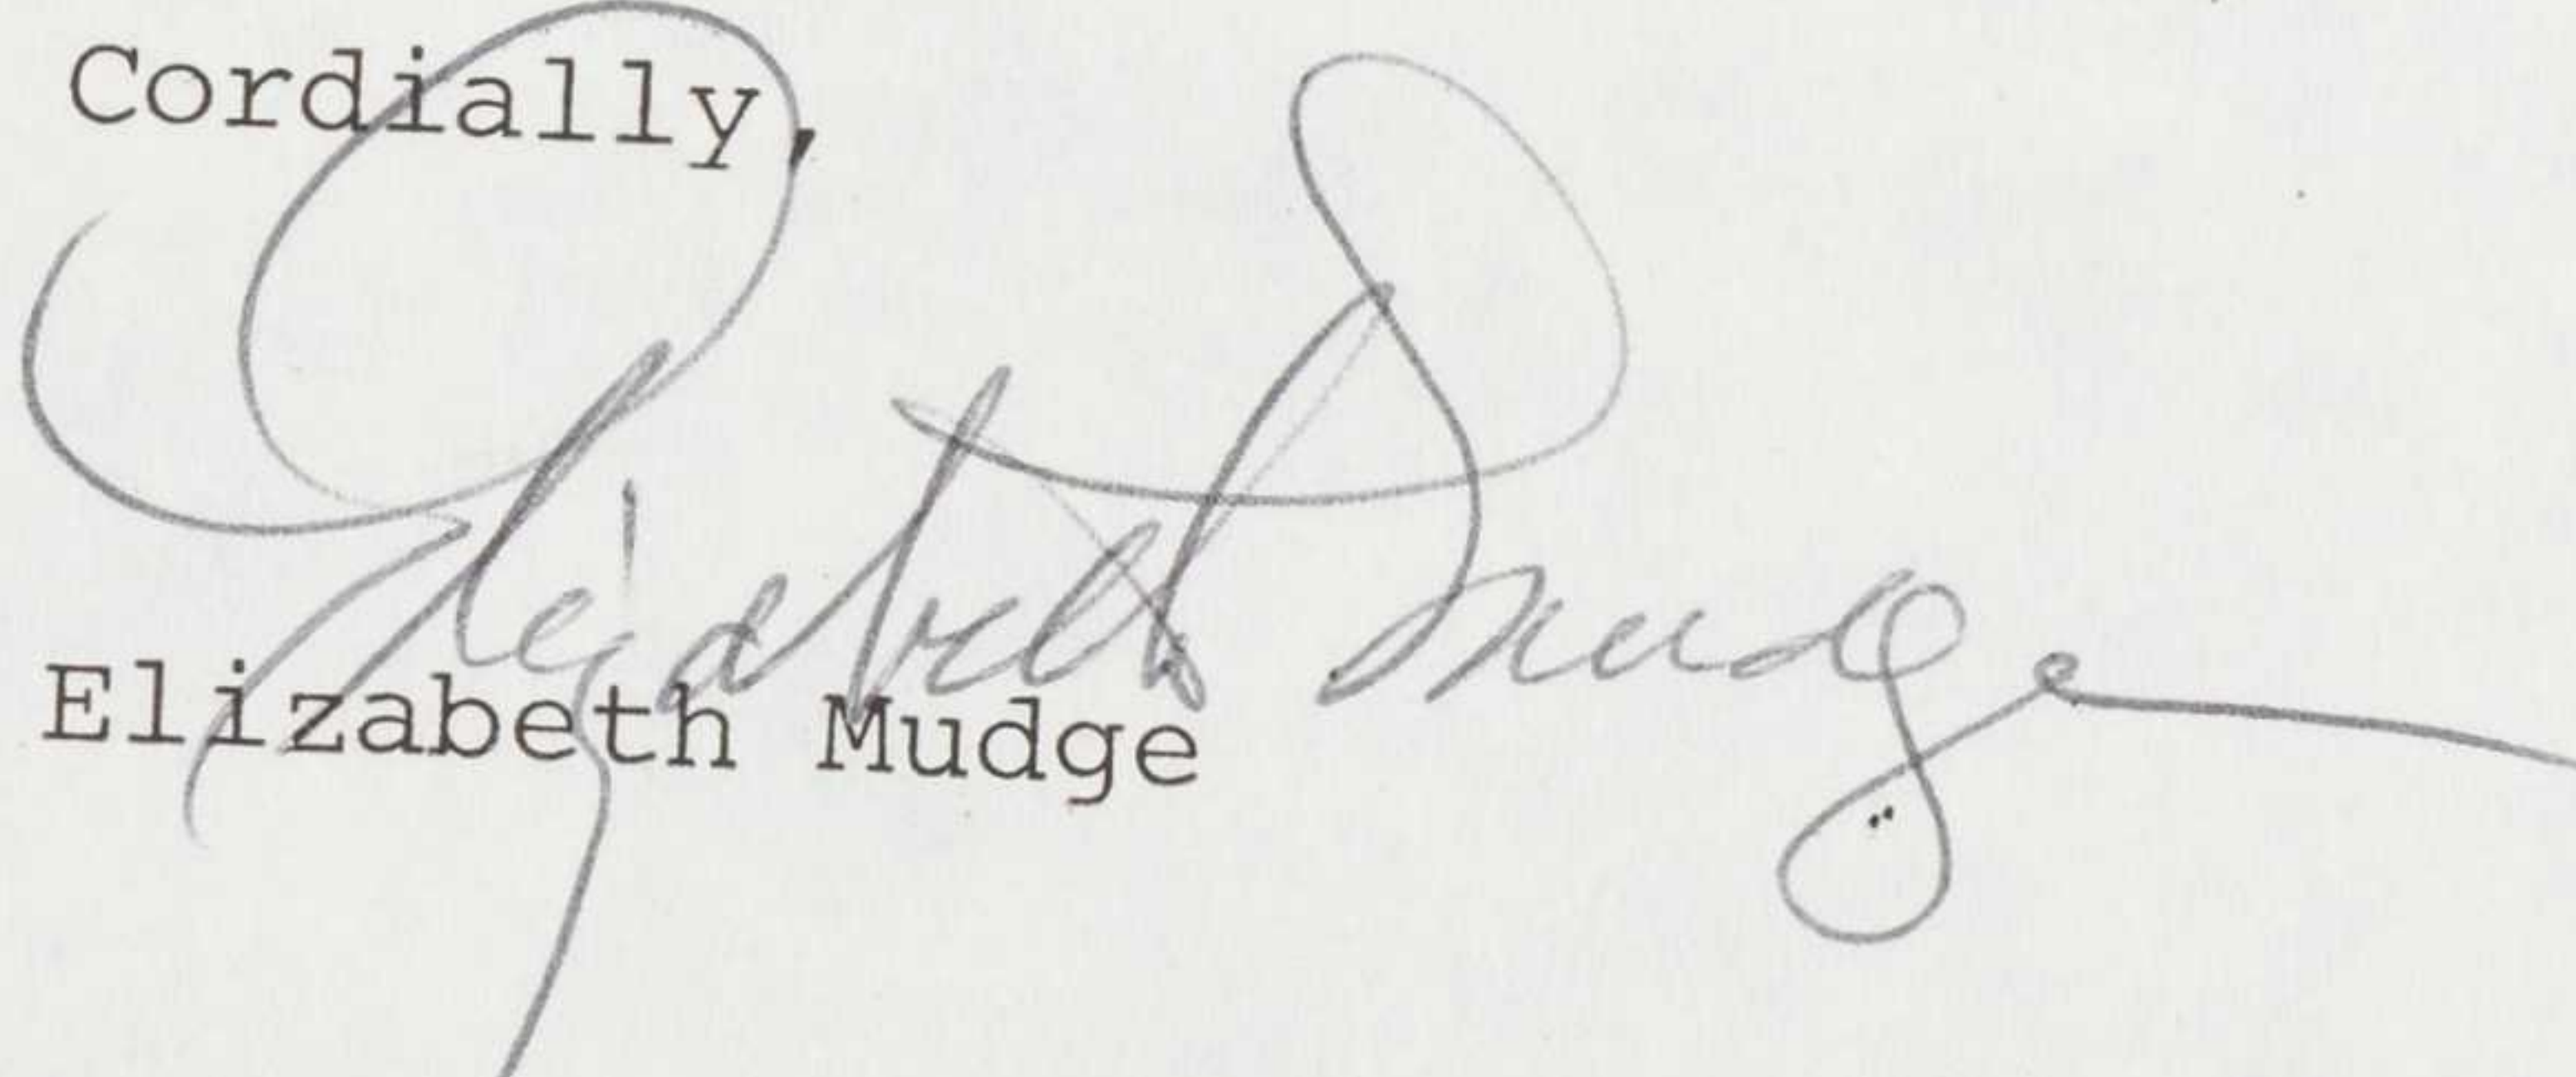

Your note of September 7 is appreciated. Yes, the West is in decline. It is my feeling that today's announcement that Reagan seeks to increase our payments to the UN is an extremely bad sign.

I'm not sure what your reference to a catalogue and your uncertainty as to what to specify, means.

In any case, perhaps you will be interested in the enclosed.

Incidentally, Medway seems almost metropolitan compared to northern New Hampshire.

Cordially,

Elizabeth Mudge
