Celebrate with ASPI and the S. L. Calendar, our twentieth (that's 20!) year anniversary. Our 1997 wall calendar will, as always, offer great b & w photographs each month, and constructive and somewhat pithy lifestyle suggestions for each day, only this year we're collecting our favorites - sayings *and* pictures, from twenty years of simple living and calendar making. Special holidays, celebrations, and seasonal names included, as always, however, look for a few new celebration days, and entirely new moon phases. Photographs mostly by Warren Brunner, design - mostly by Mark Spencer (about ten years, each!). 11x8.5" Printed on recycled paper. *item SL1* **\$6.00**
