

that the literature has the appearance of being ^{and is,} carefully prepared.
71

Organizing is largely a matter of logic, and looking for promotional opportunities.

Remember that you have a great advantage in building the USPP. Your arguments are the best there are; better than those for any other party. This means that no matter how small your beginning, the Party's growth is inevitable as long as its perspective is vigorously promoted.

Please send news about the growth of your branch to the Party's national office, address below.
