

AWP/MLA

Hello,

We are very glad that you took the time to inquire about the American Workers Party. We hope that the materials that we send you will prove to be valuable and that your inquiry is the beginning of an ongoing relationship.

We know that your letter was in response to an ad which said we would mail you a free copy of "Movement." Though we are sending you a copy of "Movement", you will notice that it is not a current issue. We are sorry that this is the case. However, we are confident that the reason for this will be understood. We are currently in the process of merging our organization with the Movement for a Left Alternative. During the period in which our two organizations are debating positions and viewpoints, we have found it necessary to suspend our printing of "Movement." We have done this so that all of our members can concentrate on the process of fusing our two organizations. We expect to resume the distribution of "Movement" once we have consolidated our new organization.

Over the next few months we will be pleased to send you documents from both the American Workers Party and the Movement for a Left Alternative. We look forward to future communications and perhaps an exchange of views.

for the AWP,
Marc Lyons
