MILTON FELLOWSHIP DAY CAMP

The 1970 season has already begun -- a Spring Reunion for campers and their families was held on Saturday, April 18 at Jeanne d'Arc Academy. The Day Camp will be held during the month of July with Ann Webster returning as the lead teacher. Thirty children will be coming again through the Dorchester Multi-Purpose Center. There will be room for ten Milton children this year. This quota has almost been reached through "word of mouth" but there is room for several more children. If you know someone aged 5 or 6 who would like to come, or if you have tricycles, wagons, doll carriages etc. that we could borrow for the Day Camp, let us know. Liz Atkins 696-6102 or Ann Brewer 696-8370.

The camp needs \$1,200 for salaries and expenses. Contributions may be sent to the chairman of the fund-raising drive: Mrs. Joseph Procter, 1053 Brush Hill Road, Milton. Checks should be made payable to: Milton Fellowship Day Camp.

FRIENDLY ADVENTURES

A unique exchange between urban and suburban families. WHAT IS IT? An adventure in friendship. A vacation of two weeks in your home for a child between the ages of 6 and 12 from Columbia Point. The program is administered by the staff and volunteers of the Columbia Point Christian Center. WHAT DO YOU GAIN? A broader knowledge of the rapid changes taking place in the metropolitan area. Clearer understanding of the problems faced by families with different values and different patterns of living. Very simply -- new friends.

WHEN IS IT? In Milton, the two week period of August 1 to August 15 (for coordination purposes, family picnic etc.) But you may choose any two week period during July and August.

In most suburbs involved in Friendly Adventures, it is the local equivalent of our Fellowship that sponsors and participates as families in the program. How about You? Many members have asked: But what can I do? Here is one good answer. For more information call Liz Atkins 696-6102 or Ann Brewer 696-8370.

IN WHITE AMERICA

The performance of In White America by the Combined Dramatic Clubs of Milton Academy was beautifully done and most successful. We were able to contribute \$225 to the Milton Academy Black Scholarship Fund.
