

Under God's Law

"Ah sinful nation, a people full of sins, an evil seed, lawless children: ye have forsaken the Lord and provoked the Holy One of Israel."

Isaiah 1:4 Septuagint

The final authority for our law is our God. Since we are a people under God's law, we are a people under God, or God's people...

The end and purpose of 'law' is to protect society as a whole.

The origin of a Nation's 'law' is its 'god.' The final authority for our American legal system is our GOD...

I ask you: Is Jesus Christ a National Question?

Law in its simplest form is a set of rules which are consented to and imposed upon all members of a society, and its purpose is to preserve the existence and identity of the group as a whole.

It is a catastrophic distortion of truth for any Nation, any people to declare that the function of law is to protect the individual from society...NOT SOCIETY FROM 'LAWLESS' INDIVIDUALS OR GROUPS.

Such perversion of the basic philosophy of law is a travesty...an insult to humanity, an offense against nature, the breeding ground of chaos and violence, crime, a Nation's rushing rendezvous with Divine Judgment!

Individual rights must give way when they transgress the rights of society. It is really society's rights that need protection.

Whoever is accepted as the source of law, is also hailed as 'god.' If a Nation's Leader issues Executive Orders...He openly declares he is 'god.' If a Supreme Court issues a Judgment...It becomes "the law of the land." And they become 'god.' Every Judge on the Bench is a 'god' in his or her decisions...

The Question is: DO ALL THESE ACT IN CONFORMITY TO DIVINE LAW?

There is no other code unfolding the ethical tight moral argument of the TEN COMMANDMENTS. Law and government in Christian Nations is derived from the TEN COMMANDMENTS.

To change our basic beginnings as 'one Nation under God', the status quo and to overthrow that existing order means the abandonment of the TEN COMMANDMENTS.

Now---At this moment in time; our Nation THE UNITED STATES OF AMERICA our Society is being reordered that would make everything subject to arbitrary human control. Naturalistic Humanism.
