

Have You Written Your Testimony?

Dear Brother Culpepper,

Everytime I have written and asked for prayer, God has answered. The first time I wrote and asked for prayer that we could sell a business and it was sold at just the right time for all concerned. The second time I asked prayer to find work and for my son who was to go to Viet Nam. I am now working as a nurse and my son's orders were changed. I thank you very much for your prayers.

Dear Brother Culpepper,

I wrote you and requested prayer for my niece who had disappeared. She has been found and is now saved and filled with the Holy Ghost. And too we asked you to pray about a new car. Our old one was ten years old and completely worn out. We got the new one today. Thank God.

Dear Brother Culpepper,

When my son first went to Viet Nam I worried so much that I could not eat properly. I knew that only God could help me over this fear and anxiety. I wrote and asked you for prayer and now the fear is all gone. I praise God daily.

Dear Brother Culpepper,

In answer to your prayer, God restored my failing eye-sight and healed me of partial deafness which I had had for many years. He healed me of stomach trouble and bad insomnia. He has also answered prayer for us concerning our finances.

Dear Brother Culpepper,

My husband was not able to walk, his stomach was swollen and he could not eat well. I brought him to your meeting and while you were praying

for him the swelling went out of his stomach. He is eating better now and walking alone. Praise the dear Lord!

Dear Brother Culpepper,

Thank you very much for your prayers. I appreciated the quick response I got regarding my problems. My nervous condition has been healed. I am praising God for this healing.

Dear Brother Culpepper,

The first time I wrote to you I asked you to pray for the salvation of my father-in-law. Well, praise God, he has been saved. It is truly wonderful.

Dear Brother Culpepper,

Since I have been giving to the Lord, He has been so good to us. We were in debt thousands of dollars in the Spring. The Lord has made it possible for us to get out of debt.

Dear Brother Culpepper,

During your crusade in Cincinnati, Ohio, in April of 1964 you called me from the audience for prayer. God healed me of a back and neck disorder. I have X-Rays of "the before" and "the after".

Dear Brother Culpepper,

I sure enjoyed your meeting in Wichita. When you prayed for me, God took the pain out of my back and its still gone. I also thank you so much for praying for my daughter. She didn't have to have surgery.
