The Christian ERA in Bible Prophecy...

Multitudes of our modern Christian peoples in America do not even understand the basics of their own historic beliefs...Often mis-naming and mis-applying interpretations of Holy Scripture in strange and dark modern ways from Apostolic presentments.

Positive preaching with answers! Inspirational, Educational. NOT speculative philosophy, not myth!

Revelation Knowledge...

Our modern world is overflowing with human knowledge, Humanism. BUT, empty of Divine Wisdom. Of understanding concerning World events. Our major problems in America today are THEOLOGICAL...How many modern Ministers know this?

Here Is A Different Beat of The Drum!

Pastor George Southwick presents Bible material concerning The invisible Hand of God in America's History...Spiritual teaching for all Christian-American-Patriots who love our Nation and are concerned for the welfare of our people...

Christianity is essentially a religion of Resurrection!
Christianity is the Revelaton of God---Not the research activity of man.
Christianity is the Power of God in the soul of a man or woman!
