

The 'System' called DISPENSATIONALISM; The Scofield Bible Notes, etc. Has unravelled a massive network of prophecy teaching by giving us a continual chronology of coming events that have proved to be nothing more than "wind and rabbit tracks!" The coming ANTI-CHRIST!

Yet, people continually come back for more and more!

Besides this, they have given us a warped teaching on the work of the Holy Spirit that is not taught in the Scriptures...That Signs & Wonders; the Supernatural is.....'Not for today!'

Yet---People who should know better embraced, 'the pre-tribulation rapture of the church' as if it were the last word from the Almighty!

Verily, I believe if the Anti-Christ were 'CHARISMATIC' today; at this moment in time multitudes would rush after him as if he were some great one...

I have news for you---They have; they are...doing just that. Anti-Christ is a pious fraud! Trust not to outward show. Shakespeare said: 'Oh, that deceit should dwell in such a gorgeous palace!'

Deception: Carries a stone in one hand, and offers bread with the other.

No deception has come along since Genesis Chapter 10; as THE NEW WORLD ORDER!

It is already upon us, here, now. It's been planned that way! By evil men..ONE WORLD. Wendell Willkie after running for U.S. president wrote a book about it----ONE WORLD. Now; who will complete the confusion?

Christians Awake! Your future is planned for you...Look! Listen!

"Fear not, puny Jacob, petty Israel, I will help you,
your champion is the Majestic One of Israel---
it is the Eternal's promise." ISAIAH 41:14 Mobbat
