

JESUS IS VICTOR

Mr. Preacher: Don't believe that we can accomplish anything toward the furtherance of God's goal unless we, in some way, become honestly centered in Him alone...

Our preaching can no longer be an idle tale...Since Jesus lives!

Jesus came--- "...teaching and preaching the gospel of the kingdom..." Matt.4:23

What are we teaching and preaching?

Jesus had no bag of 'evangelistic tricks.'

Today: Many modern preachers present 50 pots of mustard to an ounce of meat!

False prophets always bark in the House of The Lord!

It is true: With its preaching Christianity stands or falls.

Mr. Preacher: It's not...'have you got the truth.' Has the truth got you! Jonah was commanded, "Preach the preaching I bid thee."

Our Preaching, like the Ministry of Prophets and Apostles, primarily must be to our own age...

Today we are face to face with modern man. Man erect, armed by modern education, critical, skeptical, self-sufficient.

You may not like him, but he is here and dominates the human situation, he sits bestride TO-DAY like a Colossus and it is well if we realize it.

He will not believe what we say...The question is...Have we got a gospel, an evangel, a message for him?

Modern man is a dangerous figure... and he is the best thing we have got.

Attempting to preach to Him...in our own wisdom, human strength...

Patriotism is not enough!

We must clearly present THE WORD OF GOD as the real solution to our National problems...

To do otherwise is like trying to bend the bow of Ulysses or wield the sword of Excalibur.

"THE SERMON TODAY IS ON CHOCOLATE PIE — THERE'S NO TEXT FOR IT, BUT WHEN A THING'S RIGHT YOU KNOW IT!"
