Dear Dave,

Thank you for your report of July 7 on the use of foreign aid funds. You, Bill Gaud and all of your people who contributed to this fine effort are to be congratulated. I was especially pleased to note that you have made effective use of all the funds available for development loans both in Latin America and elsewhere.

Please convey my congratulations to everyone involved, and urge them to keep up the good work.

Sincerely,

151 LBJ

The Honorable David E. Bell
Administrator
Agency for International Development
