OPERATIONAL IMMEDIATE.

PASS RALPH DUNCAN, WHITE HOUSE.

PERSONAL FROM AMBASSADOR.

Mrs. Price tells me no firm arrangement yet made for President to receive large group Brazilian students when they tour White House Tuesday morning. As you recall, I consider this group major opportunity our constructive influence on student leadership, as well demonstrated last year's experience. I strongly urge informal Rose Garden chat. Press and movie coverage here makes this important event in public image Brazil-US relations, in addition to impact on participants.
