(SNF) The officers are listed below with indication of ARMA's information as to their political orientation:

- \* - Hostile to orientation of Goulart administration.
- \*\* - Go along with Goulart.
- \*\*\* - Ultra-Nationalist Radical.
- \*\*\*\* - Far leftist, may be crypto-Communist or Communist.

In addition, Army officers of extreme leftist ultra-Nationalist bent occupying the following key positions:

Pres. of PETROBRAS	B/Gen Albino Silva ****
Secy. of State Security Pernambuco	Col Humberto Freire de Andrade ****
C/O Rio de Janeiro State Mil. Police	Lt Col Joao Evangelista ***
Chief of Presidential Mil. Household	B/Gen Argemiro de Assis Brasil ****
Dir. Hydroelectric Company of the Paraiba Valley	Col Joaquim Mariante ****
Dir. Federal Post & Telegraph Service	Col Dagoberto Rodrigues ****
Provost Marshal 1st Army	Lt Col Donato Ferreira Machado ****
Cabinet of War Minister	Lt Col Paulo Pinto Guedes ****
	Lt Col Carlos Gomes Villela ****
Asst G-3 2d Inf Div	Major Lauro Carneiro ****

While there has been no sudden surge of assignments to ultra-Nationalist radicals, there has been a steady pattern evident.

(SNF) COMMENT: The foregoing indicates the high percentage of ultra-Nationalist radicals occupying key command positions. ARMA has known most or nearly all of these officers for some twenty years and feels qualified, through many talks with the officers themselves, classmates and contemporaries, to express a fairly accurate judgment as to their real political orientation. It is not a bright picture.
