

THE TRUTH ABOUT BLACK CRIME

Contrary to popular belief, blacks do commit the majority of violent crime in our cities where there are equally proportionate populations of blacks and Whites. In a recent article by Pat Buchanan titled, "Blacks Commit Most Crime", he gave us these statistics:

1. Blacks commit 8 times more assaults than Whites.
2. Blacks commit 9 times more rapes than Whites.
3. Blacks commit 14 times more murders than Whites.
4. Blacks commit 19 times more armed robberies.
5. Black neighborhoods are 35 times more violent than White neighborhoods.
6. Some 629,000 interracial attacks occurred in 1985.
9 out of 10 were committed by Blacks against innocent Whites.

Don't let anyone tell you that you don't have any reason to be afraid. Remember the days when people didn't even lock the doors at night? Help us bring those days back again.
