

"Of all the things I have done in the past 12 years, I think Great Issues of Today has the potential to be one of the most significant."

—Donald E. Wildmon

This six-hour video series was 12 years in the making

AFA's new video series

Great Issues of Today

Timely, important new video series ● Hosted by AFA Executive Director Donald E. Wildmon ● Use in Sunday evening service, Sunday School class, Bible study group ● Each session 55 minutes ● Benefit from Mr. Wildmon's 12 years' experience dealing with the issues ● Watch and become informed! Share and help others become informed.

Session one: An Introduction And Overview ● Defines the problems, relating Mr. Wildmon's experience of getting angry over television's offerings for his family in 1976 ● Shares his decision to do something about it ● Leads the viewer to see that the struggle is a spiritual one on which the very foundation of Western civilization rests ● **Session two: Pornography Is Not A Victimless Crime.** ● How pornography affects our society ● The results of pornography, how it victimizes all ages ● Suggestions the viewer can use to help ● Moves the viewer to involvement.

Sessions three and four: The Clash Of Values ● Covers the clash between humanism and Christianity ● Shows major differences, results of the two value systems ● One of the most indepth discussions available ● Mr. Wildmon explains his reluctance even to use the word humanism in early years ● Shows how humanism infiltrates the values of our world, what happens when the humanist philosophy controls.

Session five: The Influence Of The Media ● Extensive look at research done on the media, their background, their beliefs and goals ● Helps the viewer better understand how media influences our society ● **Session six: The Role Of The Church** ● Looks at what the Church has done, has failed to do, why ● Calls the Church to education and involvement, offers practical means to accomplish these goals.
