

Deafie: I am with you
100%. I have lots to tell you
about Major Roberts & Mary D
& John Idurman but no time
now as my condemnation
case come up tomorrow.

Major R. Wants to be a V.T.
with Wallace but we can't
afford another B.M. Miller
or worse. I will try to
take time to write & invite
others to Houston if you
think it is advisable.

My Best for now Stan
