

One-year money back guarantee

red tape they invented to slow you down. Page 418

- How to read a nursing home contract. Page 233
- How to leave money to grown children when you're not sure you can trust the people they're married to. Page 328
- How to borrow on your life insurance without reducing the death benefit -- even if you never repay the loan. Page 17
- Retirement funds that creditors can't attach. Keep your nest egg safe. Page 270
- Retired but still working for same company and collecting pension too. Legal! Page 273
- Horse races the experts never bet on. Page 27

All in plain businesslike English from 561 inside experts on every aspect of personal finance.

Taxes. Investments. Credit. Home ownership. Retirement. Medical costs. Travel. Insurance. Wills.

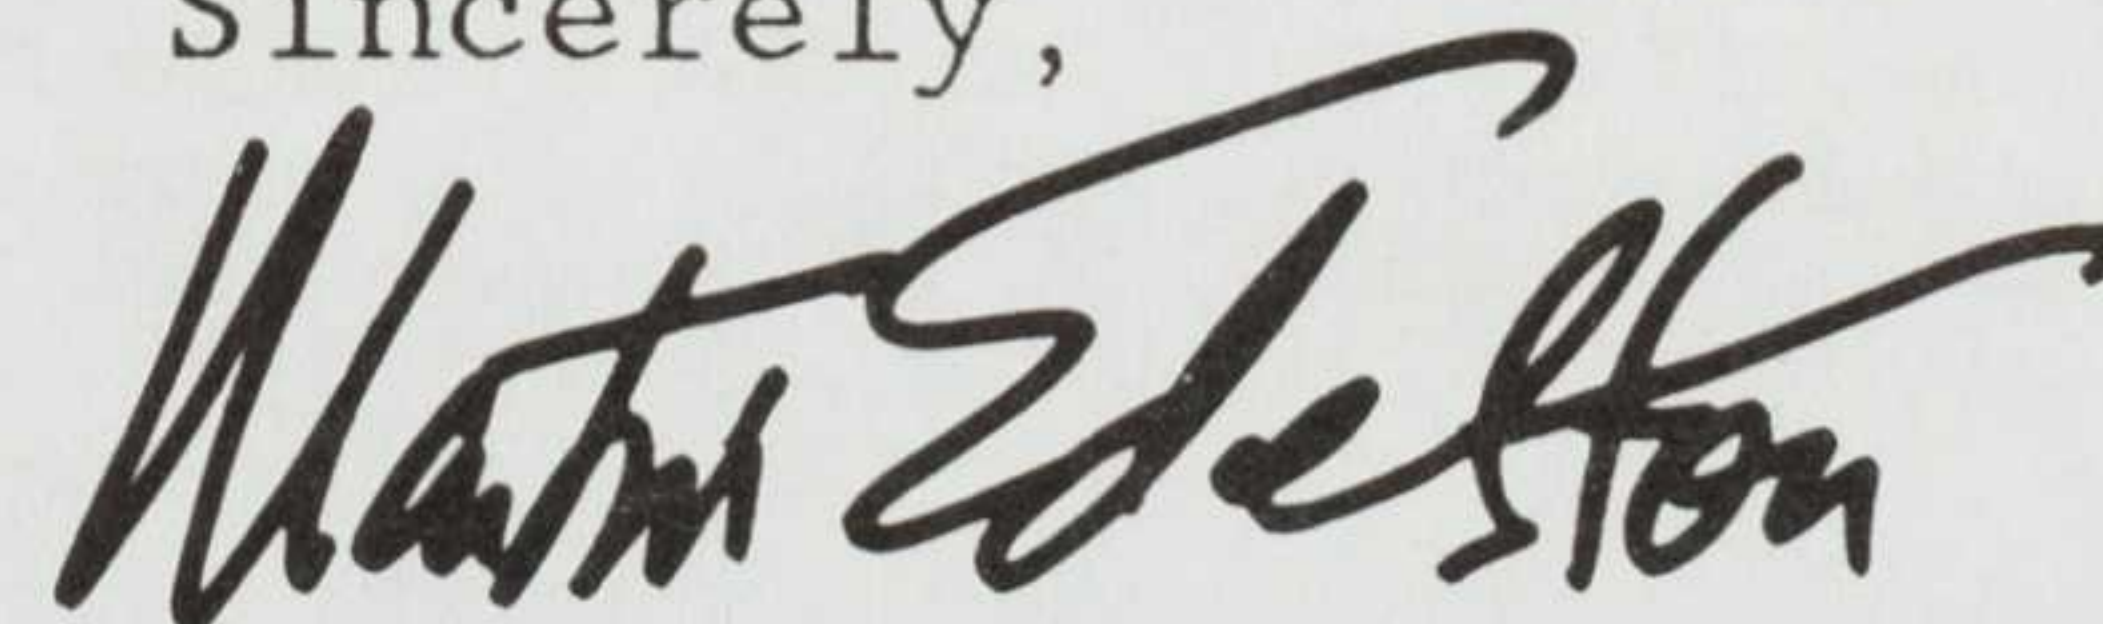

Take me up on my one-year guarantee. You have nothing to lose -- except some very common misconceptions.

Send for THE COMPLETE BOOK OF MONEY SECRETS at my risk. Judge its value for yourself. If you don't agree that it's worth hundreds of times the low price, return it for a prompt and courteous refund. Even a year from now.

Regularly \$50.00. Executive discount price \$29.95 postpaid.
And a one-year money back guarantee from Boardroom Classics.

Is it a deal? Then mail the guarantee form today. And many thanks.

Sincerely,

Martin Edelston
Publisher

ME:osa

P.S. The COMPLETE BOOK OF MONEY SECRETS is deductible on schedual A of your tax return.

P.P.S. Important: Special advice from America's leading financial experts... Get One Step Ahead as an extra bonus when you reply within 10 days. Another reason why it pays to mail your form today.
