Dear Ms. Hoag:

You and I have achieved a great deal together in the past year.

As a supporter of the American Tax Reduction Movement, you have played a vital part in the most successful taxpayer revolt in history.

Together we've made a real beginning to save our beloved country from economic ruin. Think of what we have achieved with a 76 year-old Chairman and a one-year-old organization of taxpayer-citizens against the massively financed and established politicians, bureaucrats, welfare organizations, tax-spending special interest groups and government employee labor unions.

Just a few examples:

- ✓ Twenty-two states have reduced property taxes, using Prop. 13 type tax cuts or legislation designed specifically for homeowners and/or the elderly;
- ✓ Eighteen states have reduced income taxes;
- ✓ Fifteen states have reduced sales taxes;
- ✓ Eight states have voted spending limitations;
- ✓ Twelve states have cut or repealed a variety of other taxes; and,
- ✓ Literally hundreds of counties, cities, special districts and other local governments have cut taxes and spending.

As Chairman of your organization, I received on your behalf numerous awards noting these achievements including:
