REFERENCE : Unclas Recife 627

1. ARDO/Brasilia has not seen a copy of subject study.
2. According to Dr. Winia Farberow, INCRA, Dr. Francisco de Moura Cavalcante has a copy in English and instructed Dr. Farberow to query USAID to see if the study was to be translated by USAID and if not Dr. Farberow was to make a translation.
3. The substance of reftel has been passed to Dr. Farberow and three copies of chapter 10 are requested.
4. It is assumed that Recife doesnot intend to translate the entire study but Brasilia would like to confirm that assumption before Dr. Farberow starts his translation of the study.
5. Please advise.

RAY WHITE NEAR

TO : Mr. George S. Quick, NEEA

DATE: May 17, 1971

FROM : *W.D.*
Wolff Darnel, NECSD

SUBJECT: Report on Land Settlement Survey

The Agricultural Division received a request from Brasilia for two copies of the above report. I am making arrangements for the reproduction of additional copies through our print shop. However, this will take time. To answer the request from Brasilia, I am wondering if you had a chance to look at the study, and whether you would be prepared to let your copy go, to be replaced when the reprints are ready.

If so, could you please return your copy to Ray White, NEAR.
