Dear Mr. Rodgers:

On September 8, 1970, a letter was directed to you concerning a survey of present college and university level home economics programs in your country. To date, no response has been received, perhaps due to faulty mail service. Therefore, enclosed you will find another copy of the questionnaire. Please complete and return it at your earliest convenience. Information you provide is necessary to complete the survey. Your completed questionnaire should be returned to:

Dr. Charles Gay  
N.M.S.U. - A. I. D.  
Embajada Norteamericana

Your prompt attention to this matter will be greatly appreciated.  
Thank you.

Sincerely yours,
