FROM - RECIFE

SUBJECT - "A Research Review on the Coastal Tabuleiros
of Northeast Brazil", by James L. Haynes.

REFERENCE -

1. Enclosed are two copies of the English version of the report "Agricultural Use of the Coastal Tabuleiros of Northeast Brazil", by Dr. J. L. Haynes in fulfillment of Contract AID-12-665.
2. This study was performed at the request of SUDENE and reviews all previous research work of this zone. The report is considered and particularly useful to SUDENE in planning future programs. It is the first report of its kind for these soils in Northeast Brazil.
3. Additional copies in English are available on request. The report is presently being printed in Portuguese.
