SUBJECT - Reports on Special Development Assistance Activities

REFERENCE - AIDTO Circ A-67 M.O. 1323.1.1

(1/14/70)

1. A review of the use being made by AID/W of the quarterly and annual reports submitted by the USAIDs on this program failed to indicate a practical need for these reports, either in the past or in the foreseeable future. Accordingly, to reduce the amount of paper work involved in the use of the Special Development Activities Authority, it has been decided that the submission of future regular reports, either quarterly or annually, is not required. USAIDs are encouraged, however, to communicate with AID/W on any aspect of this program which might be useful in the preparation of Congressional presentations and program reviews.

2. M.O. 1323.1.1 is being revised accordingly.
