JOB ANNOUNCEMENT:
ACORN HIRING ORGANIZERS

ACORN, the nation's largest poor people's organization, has openings for community organizers in 30 offices around the country.

DESCRIPTION OF THE ORGANIZATION

ACORN is the Association of Community Organizations for Reform Now, a non-profit, grassroots, neighborhood-based membership organization of low and moderate-income people. ACORN members have organized to take direct action to improve their communities and win a fairer share and greater voice for low and moderate income Americans. ACORN's successful grassroots campaigns have beat back government cutbacks, elected progressives to public office, have won housing for the homeless and jobs for the unemployed, have cleaned up toxic wastes, have forced corporations and banks to be accountable to local communities, and much more. The fundamental issue for ACORN's multi-racial membership is who has the power to control what happens in our neighborhoods, cities, states, and the nation.
