

*And so I said to her, I've got something better to do with my time than going to all those political meetings and things. After all, I said, what has politics got to do with me. And do you know what she said? She said that politics has everything to do with me . . . well, I think she's awfully nice but I'm certainly no politician and I can't see what difference politics makes to me.*

*Imagine Aunt Emma cooking on an old wood stove. It must have taken her hours? Mary says Bill says England will soon have cheaper electricity than we do because they're way ahead of us in finding peace-time uses for the atom. I'm glad it's good for something besides making bombs.*
