

Christian-Patriots Defense League

"All For One and One For All Under God and Liberty"

MEMBERSHIP APPLICATION

The Christian-Patriots Defense League is a dues-free mutual assistance program designed to help one another in times of need, danger, or national crises. The League was formulated for the purpose of locating, drawing together, and uniting Christians and/or Patriots so that, wherever one may be in our country, there would be those living in that general area to give counsel, advice, direction, protection, and assistance should such be needed, requested, or required as well as establishing areas in which to gather and/or regroup in times of serious area or national crises.

Christian-Patriot means one may be a Christian or a Patriot or a Christian Patriot. Christians are at their best when they are also Patriots and Patriots are the strongest, bravest, most resourceful and courageous when they are Christians. To be a member of the Christian-Patriots Defense League you must be one or the other, or both. Each strengthens the other for his or her work for God and Country. Perhaps Thomas Jefferson summed it up best when he wrote, "God who gave us life, gave us liberty."

Defense League means just what it says. It is a league, organization or association created to preserve, protect and defend others of like mind, faith and purpose regardless of race or color.

We must realistically face the fact that the American people are moving rapidly toward racial conflict in which millions are going to lose their lives unless something is done quickly. This racial conflict is being produced by forced integration which in turn is producing polarization and confrontation. Nature demands that every race and species preserve itself; this is impossible to do with forced and close contact. The desire for separation is not the result of racial hatred but of racial loyalty, pride and preservation as is seen in every form of nature unless forced upon them.

One of the purposes of the Defense League is to help in this most serious matter—to change from forced integration, conflict and destruction to separation which will bring salvation to the races, peaceful cooperation and the natural and mutual protection of all.

Should you become a member of the Christian-Patriots Defense League, you will not be obligated to assume any work or responsibility you do not wish or you feel you cannot accept, but it will enable those who do belong to the League to know there are those of kindred mind, kind and Spirit who care and will assist whenever and wherever possible. There is no cost whatsoever to join. You may withdraw at any time by merely notifying the League of your desire. You will be issued a membership identification card and kept informed by Defense League bulletins and letters as to events, aims, goals and the work in general. We need you as a member if you so desire. Thank you kindly.
