

Cliches of Socialism

This 8½" x 11" plastic-bound book presents suggested answers by various authors to 73 (or more) of the most persistent of the collectivistic bromides, designed to help the reader develop his own better explanations of the ideas on liberty that are the only effective displacement for the empty promises of socialism. \$2.00

Each of these suggested answers may also be ordered in quantity on single 8½" x 11" sheets at 2¢ a sheet.
