Challenge to Planned Parenthood to STOP Using American Tax Dollars to Attack American Families

Dear Ms. Feldt,

I am angered by your recent attacks on Family Research Council and on me, a friend of FRC. You accuse FRC and other organizations with the same values of being "fanatical" and extremist." You accuse us of trying to "force" our religious views on you and on those who support your organization.

It is I, Ms. Feldt, who am FORCED to pay for your views and your wrongdoing, along with millions of other taxpaying Americans who do not believe in your cause. For this I challenge you :

- ☐ I challenge you to stop using my tax dollars to fund your organization. If you believe so much in your cause, give up your huge federal subsidies and go out among the people to ask for their support, just as FRC does. Stop FORCING me and millions of other families to pay for your projects.

You may communicate your decision to me through Chuck Donovan at FRC. I support his response to you.

Sincerely, _____
(A Friend of Family Research Council)
