MEMORANDUM FOR: Dr. Ragnar Rollefson, Director
International Scientific Affairs
Department of State

SUBJECT: AEC APPROVAL OF SUPPLEMENTS TO EXTENDED CONTRACT,
UNIVERSITY OF BRAZIL, RIO DE JANEIRO

SCI 6-1 BRAZ

Reference is made to my memorandum of July 16, 1964, "Extension of Contract, University of Brazil, Rio de Janeiro."

This is to advise you that the USAEC has approved two supplements totalling \$4,300 in support of the extended contract with Dr. Penna-Franca discussed on the referenced memorandum. The two supplements to the contract will be used in support of equipping a new laboratory for cytogenic studies and travel and visits in the U.S. for the project zoologist to consult with AEC on radioecology projects of interest and preparatory to planning studies under the contract. Negotiation of the supplements will be conducted with Dr. Penna-Franca by the AEC's New York Office.
