SUBJECT : Visit to U.S. Institutions of Dr. Eduardo Penna Franca, Brazilian scientist, under AEC Research Contract

REF

①

Dr. Eduardo Penna Franca, Head of the Radioisotopes Laboratory, Institute of Biophysics, University of Brazil, who is doing research on Natural High Radioactivity Levels in Brazil under an AEC contract, has advised the Embassy that he leaves on June 1 for a visit to the United States in connection with that contract. He plans visiting the following persons on the dates indicated:

- Dr. John Hursh, Rochester University - June 4 - 5
- Dr. Henry Lucas, Argonne Nat'l Laboratory - June 19
- Dr. John Harly, Health and Safety Laboratory, AEC, New York - June 22

Dr. Penna Franca has been in direct touch with the above named officials and his schedule has been fully arranged.

Pursuant to the suggestion of one or more of the above officials, he has advised the Embassy concerning his trip so that if any clearances are necessary for him to visit the institutions named, said clearances be obtained.

The Embassy would appreciate advice for relay to Dr. Penna Franca.
