MEMORANDUM FOR JIM HOOLEY

FROM: Misty L. Church
Speechwriting Department

SUBJECT: BRAZIL TEXTS

As requested by Mike McManus and Bill Henkel, here are the two major speeches the President will be giving in Brazil so they can be translated and printed.

We're also sending a copy to Mike tonight in Costa Rica for his information.

You will note the drafts we are sending have, in a few places, sentences crossed out. These are things the President will be saying but need to be dropped out of the advance text. Other deletions are things like phonetics of names, etc.

If you have any questions, let me know.

Thanks.
