We anticipate that U.S. likely come under attack during IPU meeting Brasília October 24 - November 1 in connection Cuban policy and "economic exploitation of Latin America". General debate and agenda item "Role of International Trade in promoting Balanced Economic and Social Progress in Developing Countries" furnish opportunity for this.

While LRS rather than Department responsible for back-up material during IPU debate, Embassy Office Brasília would like to be in best possible position help U.S. Delegation in case of need. Thus would appreciate maximum guidance and factual material Department can furnish on above subjects. Suggest such material should reach us by October 25.
