Dear Sir:

I take great pleasure, and at the same time fulfill a duty imposed on me by gratitude, in conveying to you, in my own name and on behalf of my wife and daughter, our deep appreciation for your excellent choice of our driver in Washington, D.C. Mr. James Mattingly is a real gentleman who won our hearts and our friendship from the very beginning.

If all the drivers who work for the Department of State are like him, it means that the United States has at its disposal a group that, sitting behind a steering wheel, can do a great deal to foster better understanding among men.

Please convey to Mr. Mattingly's company our sincerest compliments for the magnificent job done by its employee.

Sincerely yours,

Amaral Netto

Member of the House of Representatives
Brazil.
