Pastor Bertrand L. Comparet

Upon reading these most interesting discussions one will quickly recognize that the author is an ardent student of the Bible, and Bible prophecy in particular. Dr. Comparet's studies in this field began over forty years ago, and the more he studies, the greater becomes his amazement at the fantastic mental gymnastics employed by those who seek to discern the fulfillment of prophecies without understanding the identity of the people to whom the prophecies pertain. He is an ordained minister and a Doctor of Divinity.

One will quickly appreciate also the straight forward manner of factual presentation and logical thinking. This is due to his professional training and occupation as a well recognized Attorney at Law. He not only writes in a clear, convincing style, but is distinguished in the pulpit, on the lecture platform, and over the air for his clarity of thought and profound logic.

Bertrand L. Comparet is a native Californian, born in San Diego. He was graduated from Stanford University with the degrees of Bachelor of Arts and Juris Doctor. He was admitted to the California Supreme Court or California Bar in 1926 and by the United States Supreme Court in 1956. From 1926 to 1932 he was a Deputy District Attorney in San Diego County and from 1942 to 1947 was Deputy City Attorney for the City of San Diego. In the interim period, and until his retirement in 1968, he was engaged in private law practice.

Quite obviously, he is a tried and true Christian and a loyal and patriotic American, a believer in a Sovereign America under Constitutional government. □
