

SOME BASIC THINGS...

Of all abilities a Preacher must possess it is that strength to clearly say "YES" or "NO".

Can a Minister be saved? With men this is impossible; but with God all things are possible. So far as we know, there is no one who deserves the wrath of God more abundantly than the Ministers...property greedy Christianity, prideful church politicians, possessive denominationalists. etc.

I believe God is GOD and Christ is risen. ie: Free grace and undying love!

That Christ is the one and only Revealer of God, in nature, in humanity, in history, in science, in Scripture, it is my judgment---The key to Theology...

"What think ye of Christ?" This is still the critical question, and none are entitled to the name of CHRISTIAN who, in the face of the evidence HE has furnished us, cannot answer the question aright.

There is nothing more obscure to common sense than the personal experience of faith which believes in present grace (where God is working in our world in purpose of Covenant, Anointing & Kingdom.) I believe in real judgment and final good...all amid a world that lies in wickedness.

Half-gospels that are preached have no dignity and no future. Like the famous Missouri mule, they have neither pride of ancestry nor hope of posterity.

For us to know God is there is one thing, to know that we are known of God is another.

We must come to believe---The Cross and not the cradle holds the secret of the Lord.

The seat of revelation is in the Cross, and not in the heart. If we would but look to the Gospel, it will see to the experience.

How many Christians (?) realize Christ came to reveal not only GOD but sin? There is no sin so subtle as the sin of goodness---The sin of the Pharisee of Christ's parable, the sin of 'the good people who do not know that they are not good'.

Now hear this! We must see "SIN" as an affront to God's holiness, and ourselves---and our race---not simply as straying sheep or wandering prodigals...But as rebels! 'Rebels taken with weapons in our hands.' Fighting against GOD!!

The Cross of Christ was the world's great day of judgment, the crises of all crises...*"Now is the judgment of this world."* John 12:30

To God's grace redemptively revealed in the Cross the only proper response on the part of rebellious sinful man is FAITH.

Christ's WORK is the master key to His PERSON.
