

Follow This Simple 8-Point Program

1. See that other Americans are fully and correctly informed about the true objectives and methods of communism and its danger to all we hold dear.
2. Encourage religion in your community. Attend and support the Church of your choice. The Word of God is the weapon most feared by the communists.
3. Take an active interest in public affairs. ALWAYS vote in elections—get others out to vote.
4. Support the election to public office of candidates who understand the scope and seriousness of the communist problem and agree to work for its elimination.
5. Be fair with your Government. In the interest of fair play and sound economy, vote on the basis of what you feel is best for the country and not on the basis of "what's good for me." Our Government will be only as strong as we make it.
6. Take a vital interest in the education of your children. Get to know their teachers. Know how school books are selected and what they contain. Be sure that communist poison is not being administered right under your very eyes.
7. Don't join groups—don't sign petitions, **UNLESS YOU FIRST INVESTIGATE THEM!** Communists have so perverted such appealing words as "peace" "freedom" "youth" and "mother" that any organization or document using these or similar words should be questioned until you know who is behind it.
8. If any evidence of communism at work should come to your attention, get in touch with your nearest FBI office. Give them all the facts and then forget about it, unless asked by the FBI to do otherwise.
