

"February 18, 1948: At 2:30 in the afternoon, an Irgun Zvai Leumi terrorist disguised as an Arab and riding a donkey, arrived at the Ramleh vegetable market. The terrorist started to bargain for some vegetables, from a woman vendor, paid her the price and asked her to look after his donkey and the basket on its back, while the terrorist left, saying he was going to buy some meat from an adjacent market. In less than ten minutes the mines and high explosives in the basket exploded killing 12 and wounding 43 persons. Among the killed were 4 children less than ten years of age and four less than fourteen.

"The explosion was so terrible that it was impossible to identify more than one of the victims. The Palestine Government official communique describing this incident said that pieces of the heads, hands, legs and internal parts of the dead were gathered from places two miles away from the scene of the explosion."

"The Jewish Agency has furthermore been responsible for financing and equipping these terrorist organizations with money and arms. The budget of the Jewish Agency over many years has always included large sums of money for 'security and military organizations.' In the year 1946 the Jewish Agency spent \$3,808,697 and in 1947 \$6,075,000. According to the publications of the United Jewish Appeal for 1948 the Jewish Agency is bidding for 28 million dollars, for 'national organization and security.' These enormous sums of money have been used by the Jewish Agency for supplying the terrorist organizations with arms, explosives and ammunition. It is a well known fact that the Jewish Agency has bought and smuggled arms from Europe and America. The shipment of TNT and explosives which were discovered and stopped from leaving New Jersey to Palestine early in January of this year, were bought by the Jewish Agency.

"It is very significant to note that 90% of the budget of the Jewish Agency comes from the United Palestine Appeal, which is part of the United Jewish Appeal. The Jewish Agency and the Zionist organizations in America which are really the bodies behind the United Jewish Appeal, misled the United States Government into believing that this money is collected for charitable purposes, while a great part of it is actually being spent for buying arms, explosives and ammunition to supply the Jewish terrorist gangs in Palestine, as well as for fulfilling the political ambitions of the Zionists."
