

Enter American Rivers' 25th Anniversary Calendar Photo Contest...

Here's your chance to see your favorite photograph inside — or on the cover — of American Rivers 1998 calendar.

Just send in your favorite slides of urban, suburban, or rural rivers and riparian areas, or river-dependent species — any photo that captures the beauty and significance of our nation's waterways.

American Rivers judges will select the Grand Prize winner, who will receive a Gore-Tex mountain jacket by Northface. Plus, the Grand Prize winner's photograph — with credit — will appear on the cover and inside the 1998 American Rivers Calendar. . .and the winner will also receive an American Rivers hat, t-shirt, gift membership, and 10 calendars!

Additional photographs will appear — with credit — in the calendar to represent individual months. Each of those winners will receive an American Rivers hat, a gift membership, and 10 calendars.

How to Enter

Just follow the guidelines at right, fill out the form, and send it in along with your photo entries no later than September 2, 1997.

Contest Guidelines

- Only publication-quality color slides and transparencies will be accepted. (No glass mounts, please.) Fine-grained films such as Kodachrome and Velvia are preferred.
- Horizontal shots are preferred due to the necessity of cropping to fit a calendar format.
- Subject matter must include rivers, riparian areas, or river-dependent species. Wildlife photos are particularly desirable.
- Each entry must be labeled with

the name and address of the photographer and the complete name and location of the subject.

- By entering the contest, you grant American Rivers unlimited use of photographs in any American Rivers publication.
- Entries will not be returned unless they are submitted with a self-addressed, stamped envelope.
- American Rivers is not responsible for loss of or damage to slides or transparencies. It is recommended that participants maintain duplicates of their entries.
