SCHIFF'S BOOK DESTROYS THE IRS

Over 100,000 Americans no longer file or pay income taxes because of Irwin Schiff's famous Untax Seminars and Freedom Kits. Now he has written an explosive new book, **How Anyone Can STOP PAYING Income Taxes**, which exposes the federal income tax system as the greatest hoax of all time. The book is guaranteed to convince you that:

- You are not legally required to file tax returns
- You are not legally required to submit to IRS audits, and
- You are not legally required to have income taxes taken out of your pay or to make quarterly tax estimates

In addition the book reveals recently discovered information which shows:

- How the IRS violates the law and its own regulations
- How the IRS commits fraud
- Why all IRS publications are misleading and deceptive, and
- How all past trials of tax patriots could have been prevented

No citizen after reading this book will ever fear the IRS again—the American taxpayer will be free at last!!!
