CHILDREN'S MEMORIAL FOREST IN PALESTINE

History has not required a tragedy equal to that which befell the Jewish children in Europe. Now, 1939-1944, the Jewish children have been murdered in the gas chambers of the Nazis. The Children's Memorial Forest in Palestine is a living memorial to these children. It is a place where they can live again. The Children's Memorial Forest is a place where they can live again. The Children's Memorial Forest is a place where they can live again.
