Dear Mr. Wilson:

We thank you for your letter dated 3 November 1974 in which you mention having seen our ad in the CHRISTIAN PATRIOT and we thank you for your kindness in responding.

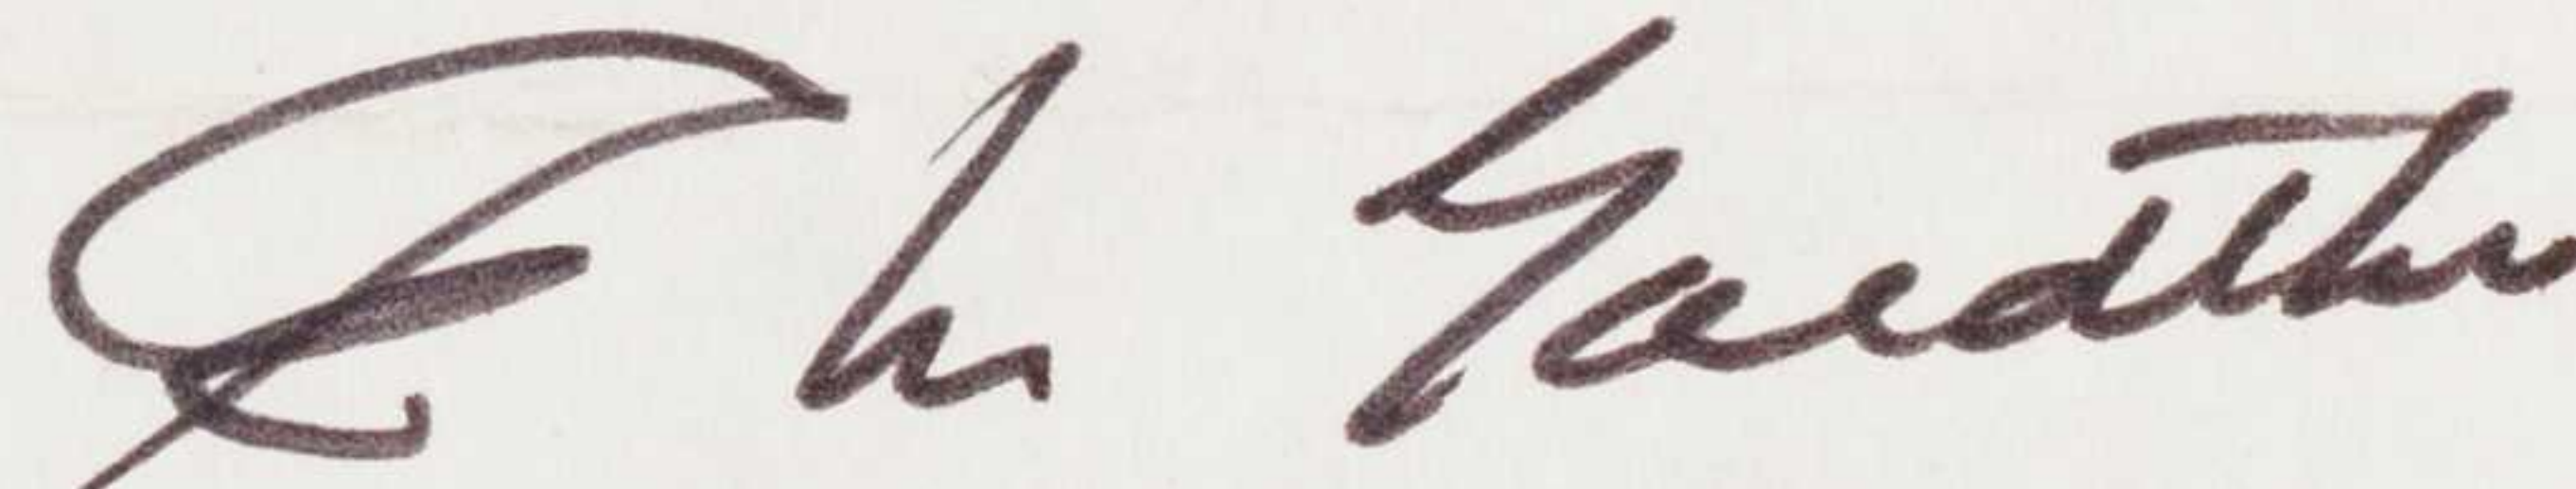

THE AMERICA FIRST COMMITTEE puts out a monthly NEWSLETTER that is circulated throughout the nation and throughout most free nations throughout the world. We mail directly to our subscribers and our NEWSLETTER is circulated by various Church groups and Veteran groups and Patriotic groups so as to enable us to have a circulation that averages 250,000 copies each month.

I am enclosing a couple of free copies so as to enable you to evaluate our aims - our aim being to awaken people to the dangers of a Communist take-over of our nation.

Please pray that our efforts will be crowned with success. If you find it convenient, please try to secure one or two subscribers to the AMERICA FIRST NEWSLETTER.

God bless you and thank you abundantly for the splendid cooperation which you have extended.

For God and Country!

E. William Gaedtke,
