"RESCUING THE UNBORN AND THEIR MOTHERS FROM ABORTION"

Dear Friend of Life,

Thank you for your inquiry about Advocates for Life. It is always a pleasure to share more about the work that the Lord has allowed us to do on behalf of the unborn.

Enclosed in this packet you will find a brochure concerning many of the specific areas of ministry that AFL is involved in. Also, you will find a sample of some of the pieces of pro-life literature that we print and distribute free of charge at AFL.

I hope that as you read through the information in the packet that you will not only find out more about the holocaust that is going on in America but, as well, that God will lay on your heart an area where you can get involved.

Whether it's sidewalk counseling, picketing, literature distribution, showing pro-life videos in churches and schools, working to meet the needs of women in need of help during a crisis pregnancy or whatever, God can use you to help women and save the lives of their children through working with AFL.

If there is anything that I can do to help you please let me know. Please feel free to call our office at (503) 257-7023 if you have any questions or comments. Also, if you want to stay informed as to the upcoming activities of AFL be sure to call our Action News-Line at 257-3031.

God bless you for your concern for the most precious of His creation.

In His Service for the "Little Ones,"

Andrew Burnett
Director

P.S. Read Proverbs 24:10-12; a powerful command to all believers concerning our responsibility to help innocent ones who are being taken to their deaths.
