1. Regret delay but our contact in FONOFF, Asst SYG East Europe and Asia Meira Penna, has been unable so far obtain decision from new chief, Amb. Sergio Correa da Costa. We raised subject ^{again} April 24 and while he expressed continued interest he was, at same time, embarrassed and said he hoped bring matter to head this week.

2. We reluctant press matter further and suggest that if we get no response by beginning next week, Dept inform Bannerjee that due dislocations involved in installation new team at FONOFF it appears that lecture trip cannot be worked out for at least several months.
